OFFICE MEMORANDUM

Sub: Rural Godown Scheme.

It has been observed during the review meeting that release of final subsidy is getting delayed in some cases due to non-conducting of JMC visits to the constructed rural godowns in time. In this regard, all the nodal officers are advised to see that the JMC visits to the godowns are arranged and the report of the visit is submitted within 45 days from the reporting of the completion by the beneficiary to the Bank. Required initiative may be taken to ensure time bound action in this regard in consultation with NABARD and the local funding Bank. In case NABARD has to seek some clarification etc. on the completion reports of the beneficiaries, they may also arrange that within these 45 days simultaneously so that the release of final subsidy does not get delayed indefinitely.
